

Dear Valued Guest,

Season's greetings and a cheerful welcome to the festive season from Management and Staff of Fiesta Royale Hotel.

In the past months we have faced a very unprecedented and highly unpredictable situation. The global pandemic has negatively impacted families, our businesses, our communities, and our way of life. First and foremost, Managements' hearts go out to anyone who's been impacted by the virus; either by the demise of a loved one or loss of employment. Our well wishes and thoughts are especially with those who are ill-disposed and are yet to recover, to whom we extend our heartfelt wishes for a full recovery.

Regardless of the challenges, we continue to count our blessings and welcome the festive season; our hearts turn to you our valued guests, who bring us joy, hope and delight.

We are excited to announce the completion of the highly - anticipated renovated guest rooms. It balances spacious rooms with a unique touch, contemporary styling, excellent amenities, natural elements of functionality with modern designs with all the comforts of home.

As we approach the end of this year and usher the year 2022, we wish to thank you for all the continued business support, we deeply value you as our client and committed to providing you with the highest level of service excellence.

We wish you and your family peace, joy, and very warm memories.

Merry Christmas! Afehyia Pa!
